Policies and Procedures

The following policies and procedures apply to all of our class programming. Please read them carefully and initial next to each one, indicating that you understand and accept the details of each.

Registration

All of our classes have monthly rolling enrollment. Your child may start classes at anytime! To register, just fill out one registration form per child, and submit it to the front desk. Your registration fee, and first month's tuition will be due at the time of registration. Annual registration fees will be automatically billed one year from your registration anniversary. If your child needs to change their class day/time/level, you may do so anytime by contacting the front desk. If you ever need to take a break, just fill out a cancellation form at least 30-days prior to your last class. If you want to drop immediately, you would be responsible for the remaining classes in the 30-day notification period. When your ready to pick back up, give us a call and we will be happy to find you a class that works for your schedule!

Parent/guardian initials

Tuition

Class tuition is due on the 1st of the month for each month your child is enrolled. Tuition rates are based on the duration of your child's class. Our monthly tuition rates are for 4 classes. If a month happens to have 5 classes, we'll still honor your base rate. If your class falls on a date that we are closed, a makeup class will be added to your account for future use. For students starting mid-month, the first month's tuition is adjusted to reflect the number of classes left in that month.

We offer an easy monthly auto-pay plan for all of our class families. Just put a card on file, and we'll automatically charge your child's class tuition on the 1st of each month. Receipts are emailed to you for your convenience. If you would like to pay via cash or check, we require three month's up front to secure your child's spot in their class.

Parent/guardian initials

Makeups

We understand that things may come up that will cause your child to miss their weekly class. If you ever need to miss a class, just let us know and we would be happy to schedule you a makeup class on another day. Makeup classes must be done in an appropriate age group and level. Makeups do not expire as long as your child is actively enrolled.

Parent/guardian initials

Weather Related Closures

If unforeseen severe weather causes us to have to close, an email will be sent to all families informing them of the closure. We will also post this information on our website, voicemail, and social media outlets. We will honor a makeup class for any students affected by a weather related closing.

Parent/guardian initials

Trial Classes

We offer a no-obligation trial for all classes in our program. You may register for your trial class by filling out a registration form, and checking the "trial" box. We require your registration fee, and first month's tuition down as a deposit. If after your trial class, you don't love it for any reason, just let the front desk know and we will refund 100% of your deposit. If you love it and want to continue, confirm with the front desk and you're all set!

Blue Phase Policy Addendum

The following policies apply to classes in the Blue Phase of NEAG's reopening. Please read each carefully, and initial below, indicating that you understand and accept the details of each.

Social Distancing

All classes will be structured to keep students 6' apart at all times, including drop-off/pick-up times, warm up, and bathroom breaks. Please discuss this with your child prior to attending class. While inside the facility, we ask all families to observe and follow the one way, and social distancing markers located throughout the gym and lobby.

Parent/guardian initials

Drop-off/Pick-up Protocol

Parents will be asked to escort their children to the entrance no sooner than 5 minutes before the start of class and pick them up at the exit door at the completion of class. During the Blue Phase, we ask that all preschool program students have one adult accompany them to class. This applies to all Tiny Tumblers, Tumble Bugs, and Tumble Stars classes. For recreational and team parents who wish to observe their child's class, they may do so using the Spot TV live video feed available through NEAG's Parent Portal on a smartphone, or tablet, in order to help us adhere to our Blue Phase capacity requirements.

Parent/guardian initials

Wellness Checks

All persons entering the gym will be required to pass a wellness exam including a temperature check, and sanitizing of hands. Anyone with a temperature of 99.5 or higher will not be permitted to enter the gym. Masks are required inside the building for anyone over the age of 2. Gymnasts may remove their masks for safety when on the gym floor, but must put them back on anytime they are leaving the gym practice area.

Parent/guardian initials

What to Bring to Class

All students should arrive with the following items in tow:

- A small gym bag with enough space for shoes, outerwear and the items listed below
- Hand sanitizer
- Water Bottle
- Mask

Parent/guardian initials

When NOT to Come to Class

- If you have traveled outside of the New England area, we ask that your child follow the state's current travel policy, and either quarantine for 14-days upon return, or be able to provide a negative COVID-19 test.
- If you have had a fever, sore throat, coughing, shortness of breath, or any other COVID-19 symptoms within the last 48 hours.
